

CERTIFICATE OF COMPLETION FOR THE MENTORSHIP PROGRAM

Dario Andres Funes

React JS

Node JS

JavaScript

TypeScript

Angular

Express

This certificate is awarded to the Mentee **Dario Andres Funes**
in recognition of successfully completing the 3-month training period at the Startup **Fina**

Throughout this period, Dario Andres Funes has demonstrated an exceptional commitment to their professional development, acquiring essential skills in that have not only contributed to their personal growth but also added invaluable value to Fina and the ecosystem of The Colony.

This program, led by expert mentors and industry leaders, is designed to equip participants with hands-on experience on real projects, preparing them to play significant roles in the tech field and beyond.

Mentor's Testimonial:

Darío has been an essential member of our team working on the administration section of a project for Fina. Utilizing Angular, TypeScript, Node, and Express, he consistently delivered high-quality work and contributed significantly to the project's success.

Darío's ability to collaborate effectively and his technical expertise have been invaluable. He demonstrated strong problem-solving skills and played a crucial role in ensuring smooth project progression.

In summary, Darío's technical proficiency and teamwork have been key assets to our project at Fina.

With the completion of this program, Dario Andres Funes is now exceptionally prepared to advance in their career, bringing innovation, creativity, and leadership to future opportunities. At The Colony, we are proud to have been part of this journey and look forward to seeing the extraordinary contributions that Dario Andres will make in the future.
